Introduction

Purpose

The purpose of this document is to have a baseline standard with procedures and post instructions that would aid in fulfilling the duties and responsibilities of the Protocol Department in The Covenant Nation. It is designed to be used in two principal ways:

- As a reference manual for persons already familiar with the Protocol Department
- As a guide for interested persons with no prior exposure to the Protocol Department

Scope

The PSOP would set baseline standards for the following duties and areas imperative to its core responsibilities in The Covenant Nation viz:

- A. Etiquette
 - Personal Grooming
 - Dress Code
 - Communication
- B. Duties
 - Arrival Routine
 - Departure Routine
 - Hospitality Routine
 - Event Routine

RASCI Matrix

Responsible	Accountable	Supportive	Consulted	Informed
All officers with assigned tasks as detailed in this SOP	The Head of Department is accountable for all processes in this manual	Relevant stakeholders listed as 'Critical Success Factors'	Senior Pastor / Church Office Secretariat	Relevant support stakeholders/ departments (Traffic, Crowd control, Sound, Word2Media etc.)

TCNP.01.01
Protocol Call Signs

Objective (Purpose)

To ensure that communications on all operations are secure

Benefits

1. Discreet management of sensitive information related to operations
2. Minimization of any risks which may arise from unauthorized access to information
3. Confidentiality and professionalism of operations

Ownership

Team Lead – Command Centre

KEY RISKS	KEY CONTROLS
• Sensitive information may be accessed by unauthorized persons • Principals may be put in danger due to compromised communication • Disruption of operations due to information compromise	• Team lead Command center ensures information is disseminated using approved call signs

Attributes:**Frequency**

Adhoc

Number of persons involved

all officers

CRITICAL SUCCESS FACTORS	KEY PERFORMANCE INDICATORS
• Good knowledge of approved protocol call signs • Knowledge of relevant support teams and department heads (Ushering, Traffic, Sound, Word2Media etc.) • Availability of relevant digital communication & tracking tools (Life360, Google maps, WhatsApp etc.)	• Timeliness of reporting • Instant dissemination of information • Zero error rate
INPUTS	OUTPUTS
• Glossary of approved call signs	• Encoded communication

Summary

This entails the approved call signs for relevant officers, stakeholders and principal officers relevant to the smooth conduct of all operations with minimal interference from non-members

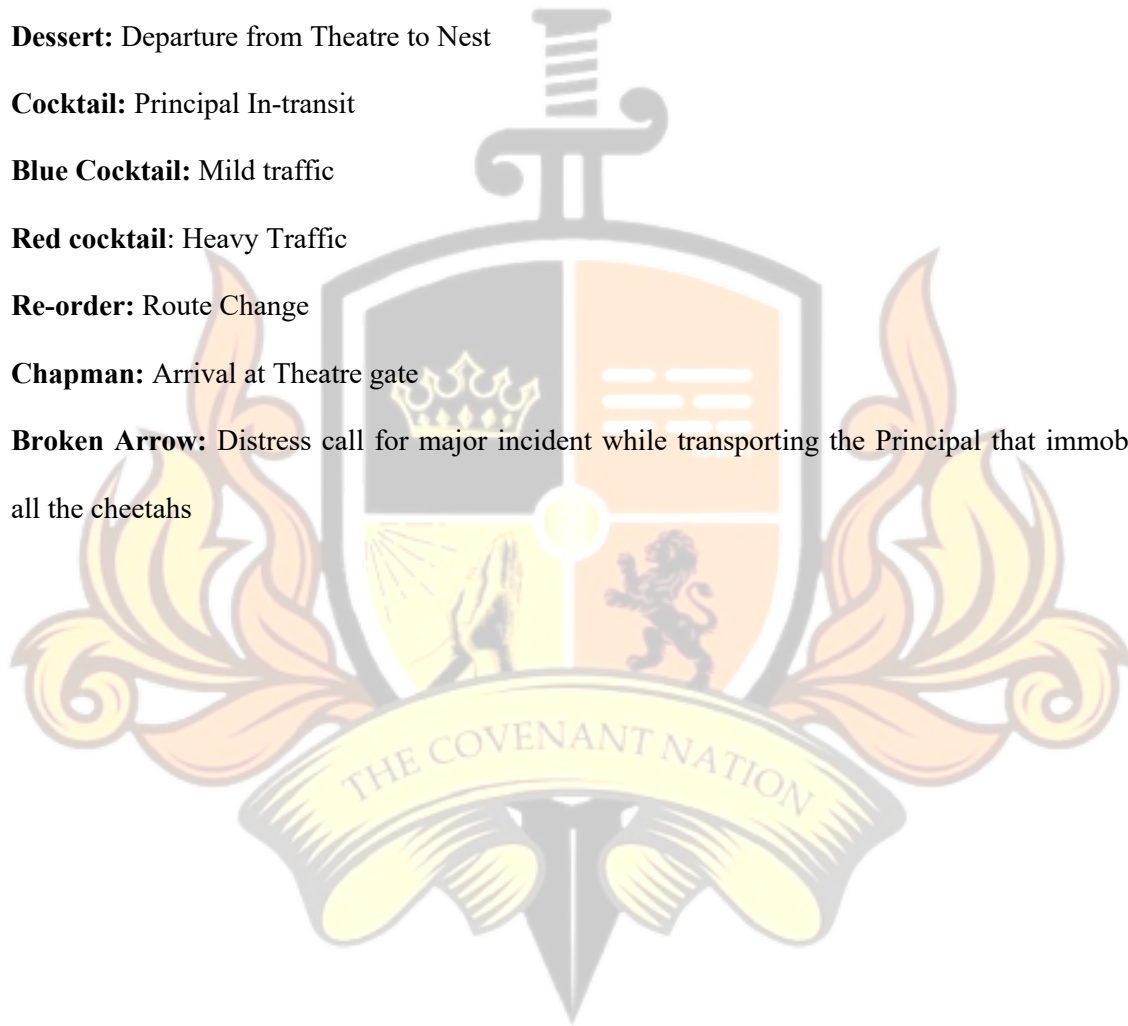

TCNP.01.01 Protocol Call Signs

Glossary of Call signs

- **Prof :** Senior Pastor
- **Duchess :** Senior Pastor's Wife
- **TCNP:** The Covenant Nation Protocol Department/ Unit
- **Captain:** the head of department of TCNP
- **HOD:** the head of department of protocol unit of The Covenant Nation
- **HOP:** Head of operation. Protocol member responsible for overseeing an entire operation.
- **Tango Oscar (TO):** the transport officer saddled with the responsibility of overseeing vehicular adequacy.
- **Echo Oscar (EO):** the equipment officer saddled with the responsibility of ensuring all tools/ equipment are optimally functional
- **Victor Oscar (VO):** the venue officer responsible for smooth operations at the venue of any program
- **November Oscar (NO):** the nest officer responsible for flawless reception at the hotels
- **Alpha Oscar (AO):** the Eagle Square officer(s) responsible for flawless reception at the Eagle Squares
- **Deltas (DO):** Details assigned to guests for an event
- **Papa(s)/ Mama(s):** the guest minister(s) for any program
- **Theatre:** Any of the church locations
- **Den:** the main church lounge
- **Mount Sinai:** the pulpit
- **Nest:** the hotel(s) where guests are to be accommodated
- **Cave:** the hotel room(s) assigned for any movement
- **Eagle Square:** the eagle square where the aircraft(s) would be landing
- **Eagle:** the aircraft used as means of transportation
- **Cheetah:** the vehicle for transporting guests

TCNP.01.01 Protocol Call Signs

- **Tango Uniform:** the traffic unit of The Covenant Nation
- **Mike Uniform:** the media unit of The Covenant Nation
- **School:** the church office of The Covenant Nation
- **ETA:** the estimated time of arrival for any movement
- **ETD:** the estimated time of departure for any movement
- **First Course:** Departure from Nest to Theatre
- **Dessert:** Departure from Theatre to Nest
- **Cocktail:** Principal In-transit
- **Blue Cocktail:** Mild traffic
- **Red cocktail:** Heavy Traffic
- **Re-order:** Route Change
- **Chapman:** Arrival at Theatre gate
- **Broken Arrow:** Distress call for major incident while transporting the Principal that immobilizes all the cheetahs

TCNP.01.02
Prerequisites

Objective (Purpose)

To outline the prerequisites for all protocol officers

Benefit

1. Professional disposition at all times
2. Uniform appearance of all officers
3. Uniform experience during all operations

Ownership

Head of Operations

KEY RISKS	KEY CONTROLS
Officers / new recruits may be unaware of the expectations of the teams/ department	Unit Head – Training ensures periodic communications of the baseline standards and expectations of all protocol officers

Process Attributes:

Frequency Adhoc**Number of Persons involved:** All officers

CRITICAL SUCCESS FACTORS	KEY PERFORMANCE INDICATORS
Good knowledge of the prerequisites for the department	Optimal performance
INPUT	OUTPUT
Trainings	Professional Disposition

Summary

The involves the various requirements for all protocol officers to ensure a projection of a professional image at all times

TCNP.01.02
Prerequisites

1. Etiquette

▪ **Personal Grooming**

- ✓ It is expected of all Protocol Members to maintain decent haircut/style
- ✓ It is expected of all POs to be well manicured and pedicured
- ✓ It is expected of all POs to maintain good personal hygiene

▪ **Dress Code**

- ✓ Dress code is as determined for each event
- ✓ Each member SHALL have the minimum specified numbers On-duty apparels
- ✓ On-duty apparels are to be the same type and kind and made by approved TCNP stylists
- ✓ Apparels shall include comfortable black shoes for all POs
- ✓ Heavy jewelry is unacceptable
- ✓ Make-up SHALL be moderate for all female POs
- ✓ Apparels SHALL be clean at all times

▪ **Communication**

- ✓ All POs SHALL know the VISION OF THE COVENANT NATION
- ✓ All POs SHALL enunciate the VISION precisely and concisely without ambiguities
- ✓ All POs SHALL enunciate the fundamentals of the CHRISTIAN FAITH as believed in C3 without ambiguities
- ✓ All POs SHALL enunciate the VISION of the program precisely
- ✓ All POs SHALL maintain good communications skills in relation to operations
- ✓ All external communications shall be through the HOD via team leaders and line communication maintained

2. Operations

▪ **Arrival Routine Checklist**

- ✓ Cheetah
- ✓ Vanity Packs
- ✓ Air Fresheners (in each Cheetah)
- ✓ Torch
- ✓ Umbrellas and rain Coats (Rainy Season)
- ✓ Cooling Bags (1 in each Cheetah)
- ✓ Communication Radios (as required)
- ✓ Program Brochures
- ✓ Appropriate Music CD
- ✓ Mints and Sweets (Suitably placed for Principals)
- ✓ Water (Minimum 2 bottles)
- ✓ Soda (3 different bottles)

▪ **Departure Routine Checklist**

- ✓ Cheetah
- ✓ Vanity Pack (Hankerchiefs, Sanitizers, Mirrors)
- ✓ Torch
- ✓ Umbrellas and rain Coats (Rainy Season)
- ✓ Air Fresheners (in each Cheetah)

TCNP.01.02
Prerequisites

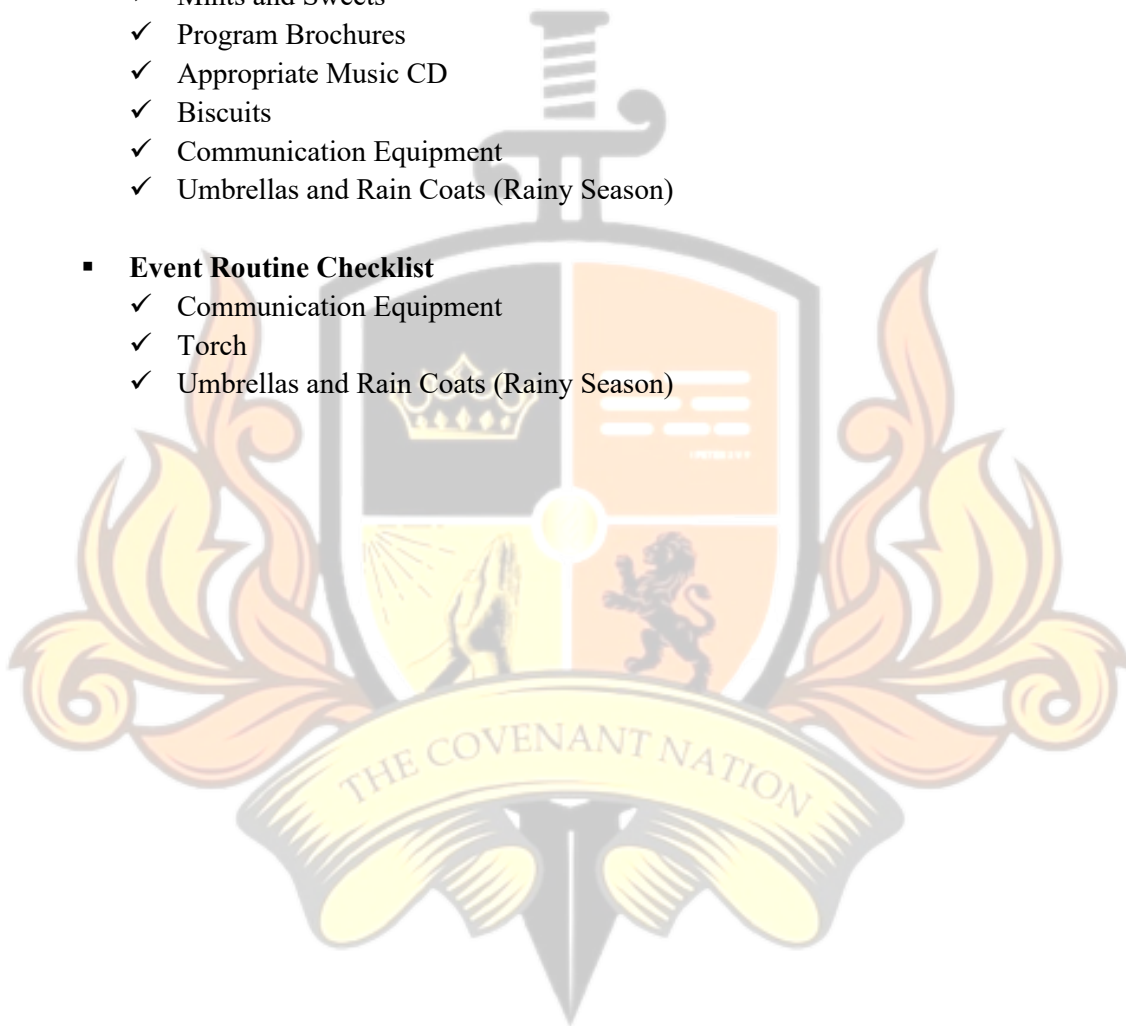

- ✓ Cooling Bags (1 in each Cheetah)
- ✓ Communication Radios (as required)
- ✓ Program Brochures
- ✓ Appropriate Music CD
- ✓ Mints and Sweets (Suitably placed for Papas')
- ✓ Water (Minimum 2 bottles)
- ✓ Soda (3 different bottles)

▪ **Hospitality Routine Checklist**

- ✓ Cheetah
- ✓ Mints and Sweets
- ✓ Program Brochures
- ✓ Appropriate Music CD
- ✓ Biscuits
- ✓ Communication Equipment
- ✓ Umbrellas and Rain Coats (Rainy Season)

▪ **Event Routine Checklist**

- ✓ Communication Equipment
- ✓ Torch
- ✓ Umbrellas and Rain Coats (Rainy Season)

TCNP.01.03
Responsibilities

Objective

To identify the personnel that have primary roles in the SOP and describe how their responsibilities relate to this SOP

Benefits

1. Sound understanding of Oscar roles

Ownership

Head of Operations

KEY RISKS	KEY CONTROL
- The Officers may be unaware of their core responsibilities during operations - Program schedule may be disrupted due to poor coordination	- Head of Operations ensures all officers are well appraised of their roles and responsibilities - Head of Operations liaises with command center to ensure timely communication/analysis of critical information which may impact on the operations

Process Attributes:

Frequency Adhoc

Attention All Officers

CRITICAL SUCCESS FACTORS	KEY PERFORMANCE INDICATORS
- Access to information from relevant stakeholders - Complete and accurate record of the Unit's activities - Availability of relevant resources for operations (equipment, tools, etc.)	- Zero error rate - Good understanding of assigned responsibilities - Timely dissemination of operation critical information to all stakeholders
INPUTS	OUTPUT
Information from all stakeholders	Executed Operation

Summary

The involves the clear description of the core competencies of different personnel for smooth operations

TCNP.01.03 Responsibilities

Description

- **HOD:** She / he is responsible for overall co-ordination, communication with Double Papa and School.
- **TO:** Tango Oscar is responsible for ensuring that the required numbers of Cheetahs are available and in good condition with prerequisites for Cheetah available and appropriate. She/he would co-ordinate the drivers, get route information and design route mapping as required. The TO may drive the utility vehicle serving as back-up vehicle.
- **EO:** Echo Oscar is responsible for all communication equipment/ lighting aid and their optimal functionality during and after all routines
- **NO:** November Oscars are responsible for ensuring that the keys are collected, the rooms pre-checked and assigned correctly and ensuring the Papa's are checked in to the appropriately reserved rooms. They would also be the welcoming team at the Nest and providing refreshment / hospitality at the Theatre.
- **VO:** Victor Oscars are responsible for ensuring that the seating arrangements are gotten from the appropriate quarters. They would also ensure that everything required for seamless operation at Theatre is in place and co-ordinate with Deltas to ensure that pre-arranged seating arrangements is maintained. They would co-ordinate with Tango Uniform to ensure seamless arrival and departures. They would ensure appropriateness of various event facilities like toilets, VIP lounges. They would also liaise with Mike Uniform to ensure that the microphones and other media equipment are ready and available as required. They would ensure seamless operation at the venues.
- **AO:** Alpha Oscars are responsible for flight information. They would co-ordinate arrangements with security agencies in conjunction with the HOD at the Eagle Square to receive Papas. They would ensure that Papas bags and baggage are tagged appropriately at the Eagle Square.
- **DO:** Deltas Oscars are protocol officers attached to principals during an operation.

TCNP.01.04
Operations Procedures

Objective

To outline the steps to perform this procedure (who, what, when, where, why, how).

Benefits

1. Flawless execution of operations

Process Ownership

Head of Operations

KEY RISKS	KEY CONTROLS
• Alpha Oscars may not be available for receiving guests at the Eagle Square • Available cheetahs may not be sufficient for conveying Principals and luggage • Papas may not be well received or Caves inadequate for Papa • Papas may miss scheduled flights due to traffic • Arrivals/ Departures to/from Eagle's Square, caves and Theatres may be marred by delays	• Command center coordinates communication between all AOs, DOs, TOs, NOs and VOs to ensure timely dissemination of operations critical information

Process Attributes:**Frequency**

Adhoc

Number of persons involved

All Personnel

CRITICAL SUCCESS FACTORS	KEY PERFORMANCE INDICATORS
• Good understanding of the responsibilities of all Oscars • Access to updated information from command center • Availability of armed security escorts	• Timely reception and conveyance of principals • Zero error rate
INPUTS	OUTPUT
• Information from the School/ Command center	• Flawless operation • Five-star reception of Papas/ Mamas at all Touchpoints

Summary

The process details the responsibilities and expectations for all teams to ensure smooth operations

TCNP.01.04 Operations Procedures

Arrival Routines

- Get flight information 1 week before arrival by HOD/ AO
- All arrival routine arrangements with SSS & FAAN should be concretized 24Hrs to ETA by HOD/AO
- TO would co-ordinate with HOD/AO to ensure that the required Cheetah(s)/ pilot Cheetah(s) are available at least 24Hrs to ETA
- AO/HOD would confirm from appropriate ODS at the Eagle Square on the immigration formalities arrangement 12Hrs and further 6Hrs to ETA
- AOs are to arrive at the Eagle Square at least 2Hrs to ETA and familiarize themselves with the routine and confirm actual ETA from Eagle Square/airline authorities, Eagle Square facilities and personnel involved in ensuring seamless operation and ensure all prerequisites (radios) are functional
- TO would ensure orientation of drivers & escorts and route arrangement are coordinated 1Hrs to ETA and ensure that pre-requisites are in place for Cheetah
- On landing of **Eagle**, AO would ensure all arrangements are intact (Immigration formalities and coordinate with TO on transportation)
- On reception of Papas, AO would coordinate bag/baggage tagging at the arrival lounge and communicate for transport
- Hand luggage

Hospitality Routine

- NOs are to be at the **Nest** at least 30mins to ETA of Eagle
- NO would confirm with **School** on the arrangements for Nest
- NO would communicate with AO to confirm Eagle's landing
- NO would coordinate (check cleanliness etc.) **Caves** for Papas and confirm same to AO for tagging (bags and baggage) purposes
- NO would ensure Biscuits are placed in Caves on Eagles landing
- AO would communicate to NO, transport at intervals
- AO would communicate to NO, on approach for positioning
- AO would ensure positioning on receipt of information from AO
- NOs are responsible for reception of Papas at Nest
- Deltas are to ensure their Papas bags/ baggage are delivered to the appropriate Caves
- NO/ HOD would always confirm if further assistance is required

Event Routines

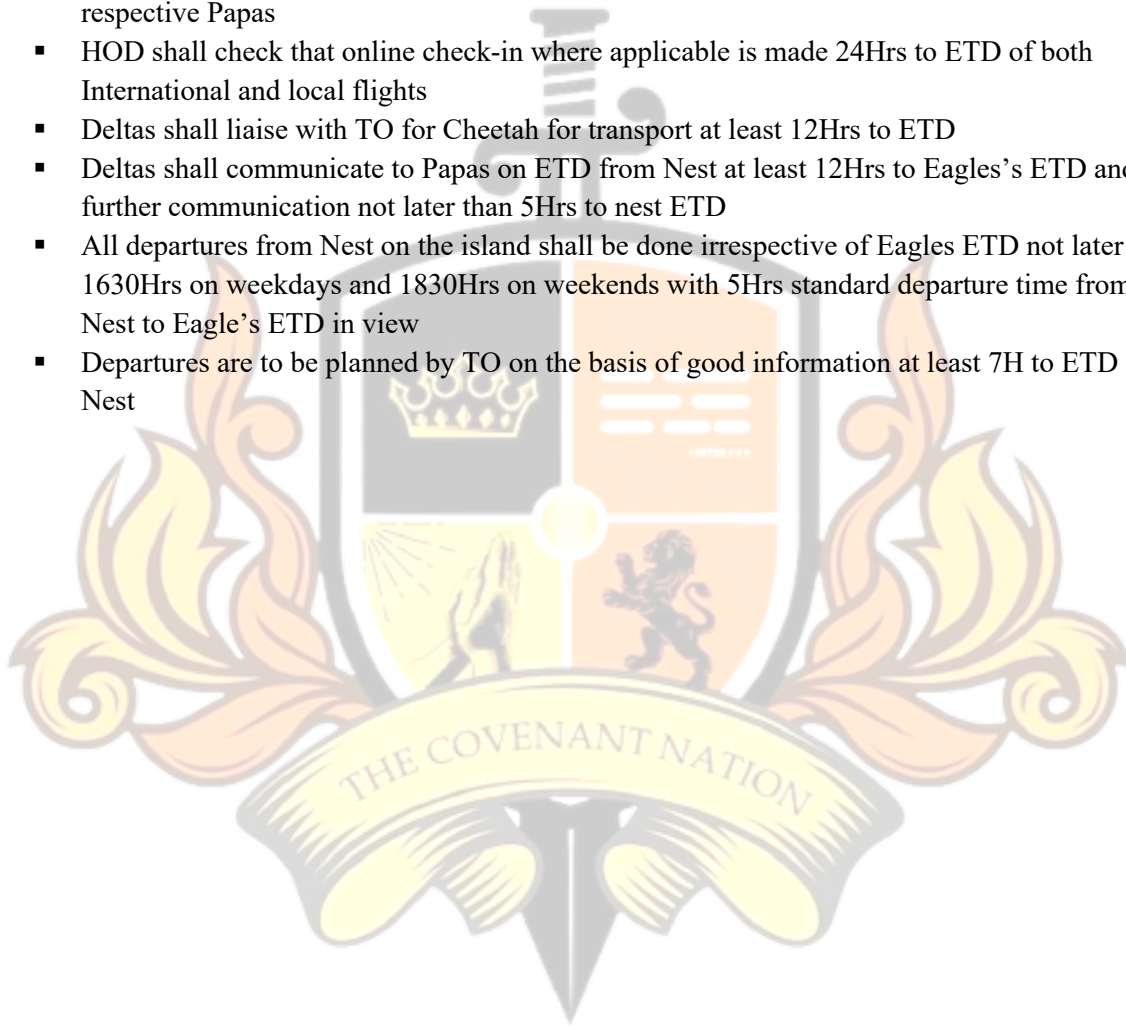

- VOs and Deltas shall be at Theatre and Nest respectively 45mins to program commencement to pray and for briefing
- HOD shall communicate to Deltas ETD for Theatre
- TO would communicate Cheetah arrangement to Deltas 30mins to program commencement
- VO shall communicate seating arrangement, entry points, confirm protocol lounge and convenience facilities (primarily for hygiene)
- VO shall communicate to Deltas routine at arrival (proceeding to theatre or protocol lounge)

TCNP.01.04 Operations Procedures

- Deltas shall communicate departure from Nest to VO and ETA to Theatre and request entry assistance
- VOs are to ensure seamless entry and assist in reception of Papas at Theatre
- VO is RESPONSIBLE for appropriate SEATING ARRANGEMENT
- VOs are to ensure seat reservation for Deltas
- VO shall coordinate departure in liaison with TO and ensure seamless departure

Departure Routine

- HOD to communicate appropriate departure plan to particular Deltas, 24Hrs to departure of respective Papas
- HOD shall check that online check-in where applicable is made 24Hrs to ETD of both International and local flights
- Deltas shall liaise with TO for Cheetah for transport at least 12Hrs to ETD
- Deltas shall communicate to Papas on ETD from Nest at least 12Hrs to Eagles's ETD and further communication not later than 5Hrs to nest ETD
- All departures from Nest on the island shall be done irrespective of Eagles ETD not later than 1630Hrs on weekdays and 1830Hrs on weekends with 5Hrs standard departure time from Nest to Eagle's ETD in view
- Departures are to be planned by TO on the basis of good information at least 7H to ETD from Nest

TCNP.01.05
Journey Management (Tango Oscar)

Objective

To outline the acceptable standards of operations which impact on transportation principals during operations

Benefits

1. Robust agreement with 3rd party vendors
2. Pleasure travel experience for principals

Process Ownership

Team Lead – Tango Oscar

KEY RISKS	KEY CONTROLS
- High risk vendors may be contracted - Vendors may not be aware of their requirements - Faulty cheetahs may be deployed - Delta Oscars may not be aware of route condition - Command centre may not be aware of principal location at all times	- Vendor selection is prioritized and reviewed and vendors reviewed annually - Service Level agreements are drawn up and signed by all parties - Team lead – Tango Oscar performs route audit prior to all operations - All DOs are tracked via GPS and situation reports

Process Attributes:

Frequency Adhoc

Number of persons involved All Tango Oscars

CRITICAL SUCCESS FACTORS	KEY PERFORMANCE INDICATORS
- Good understand of Tango Oscar requirements - Service level agreements - Access to GPS tracker and secured communication apps	Seamless transit of principals to/ fro theatres
INPUTS	OUTPUT
- Service level agreements - Route audit report	Successful transportation of principals

Summary

The process details the responsibilities and expectations for Tango Oscars to ensure safe and seamless transportation of principals during operations

TCNP.01.05
Journey Management (Tango Oscar)

Operational Level Agreement

- All cheetahs must have a mileage not exceeding 35,000miles
- Situation reports must be given every 15mins
- Delta Oscars shall obtain confirmation of vehicle inspection before each operation

TCNP.01.05
Journey Management (Tango Oscar)

ACTIVITIES

Responsibility	Task	Step	
Team lead – Tango Oscar	1. Vendor Selection	1.1	Identify suitable vendors for provision of cheetahs and other assets for journey management
		1.2	Engage vendors via Request for Information (RFI)
		1.3	Obtain and review RFIs from vendors based on the following criteria; ▪ Organization history ▪ Safety record/ Capabilities ▪ Catalogue of cars ▪ Security protocols ▪ Other key details as may be communicated from Captain/ Prof
		1.4	Shortlist preferred vendors and schedule meetings with vendor
		1.5	Engage selected vendor via Request for Proposals (RFP). RFP shall contain; ▪ Previous Operations ▪ Company policies ▪ Team members ▪ Certifications ▪ Pricing ▪ Insurance policy ▪ Other key details
		1.6	Obtain and review proposals from selected vendors
		1.7	If satisfactory, draw up a service level agreement (SLA) to be signed by vendor, school and TCNP. Proceed to 1.9
		1.8	Otherwise, reject RFP to vendor highlighting aspects for renegotiation
		1.9	Obtain sign-off of all parties on the SLA document.
		1.10	Forward copies to all parties for safe custody
			Note: Vendor selection and SLA sign-off shall be reviewed Annually
Team Lead – Tango Oscar	2. Vehicle Inspection		<u>ONE (1) MONTH TO OPERATION</u>
		2.1	Notify vendor of need for cheetahs for operations stating the following; ▪ Date/ Duration of Operations ▪ Number of cheetahs required ▪ Cheetah Preferences
		2.2	Receive contract proposal with list of available cheetahs from vendors
		2.3	Review list to identify suitable cheetahs
		2.4	Negotiate pricing/ logistics with vendors
		2.5	Sign-off contract agreement for designated operations
			Note: Alternative arrangement from other accredited vendors must be on standby for all operations

TCNP.01.05
Journey Management (Tango Oscar)

Responsibility	Task	Step	
			<u>48HRS TO OPERATION</u>
		2.6	Schedule vehicle inspection for all selected cheetahs
		2.7	Conduct vehicle inspection using the following checklist; F - Fuel; ascertain fuel consumption L - Light; Ensure all lights are functioning/ blown bulbs are replaced O - Oil level; Confirm Oil levels are optimal W - Water: Ascertain water consumption and check for leaks. Confirm windshield washer fluid is available E - Electrics; Ensure the car does not have any electrical faults and batteries are optimal. Run car in stationary position to ascertain performance R - Rubber; Ensure tyres are within their stipulated shelf life and correctly pressurized
		2.8	Sign-off the vehicle inspection attestation form which should contain the following cheetah description; ▪ Vehicle Name/ Model ▪ Registration details ▪ Mileage (max. 35,000miles) <u>EVERY MORNING DURING OPERATIONS</u>
		2.9	Repeat vehicle inspection using the 'FLOWER' checklist
		2.10	Update vehicle inspection attestation form with the following details; ▪ Drivers' name ▪ Drivers' Phone number ▪ Drivers' Address ▪ Car Condition <u>Note:</u> Physical condition of the car shall be recorded before and after each days' operations
Team Lead – Tango Oscar/ Command Centre	3. Route Audit	3.1	Receive notification of the Nest details from November Oscar
		3.2	Receive details for theatres for each operations
		3.3	Review all routes to & from Nest/ Theatres to identify the following; ▪ Road condition ▪ Potholes/ Diversions ▪ Alternative routes ▪ Safe havens/ Extraction points ▪ Detour points (for route change) ▪ ETA in normal conditions ▪ ETA in Traffic situations ▪ Traffic Conditions
		3.4	Resolution steps for road incidents i.e. accidents, fire, car breakdown etc.
		3.5	Complete a route audit report
		3.6	Communicate findings to Captain and jointly ascertain preferred routes in normal / traffic conditions

TCNP.01.05
Journey Management (Tango Oscar)

Responsibility	Task	Step
		3.7 Communicate preferred routes to Delta Oscars Note: Friendly agreements must be established with safe havens
Delta Oscars	4. Principal Transits	4.1 Receive briefing of transit arrangements at least 24hrs before scheduled departure time 4.2 Arrive Nest at least 30mins before scheduled departure time 4.3 Communicate trip details to Principal using script in the Appendix below. 4.4 Give trip situation reports to command centre every 15mins using the following codes; ▪ First Course – Departure from Nest to Theatre ▪ Dessert – Departure from Theatre to Nest ▪ Cocktail – Principal In-transit ✓ Blue Cocktail – Mild traffic ✓ Red cocktail – Heavy Traffic ▪ Re-order – Route Change ▪ Chapman – Arrival at Theatre gate Note: ▪ In event of road incidents, Principal shall be evacuated with his security DO & security detail. However, an armed officer shall remain with the affected cheetah. ▪ Principal must not be exposed in transit except all vehicles are immobilized ▪ Delta Oscar shall escalate all road incidents to command centre using the distress code “Broken Arrow”

Appendix**PRINCIPAL BRIEFING SCRIPT**

Good morning sir/ma,

How are you today?

We will be leaving for _____ shortly.

Our preferred route is _____ and ETA is _____

However, our travel details may be changed due to traffic feedback from the Hub.

Thank you.

SITUATION REPORT SCRIPT

1. Departure from Nest

Delta (Principal's name)

First Course, ETA _____

2. Departure from Theatre

Delta (Principal's Name)

Dessert, ETA _____

3. In-Transit (every 15mins)

Delta (Principal's name)

Location (Name of Road)

(Blue or Red) Cocktail

4. Arrival at Theatre/ Nest

Delta (Principal's name)

Chapman (Location – Theatre or Nest)

Objective

To outline the acceptable standards of operations which impact the arrival, departure and overall airport experience of guests.

Benefits

1. Adequately prepare the organization for all possible incidents related to the experience of guests at the airport.
2. Facilitate excellent airport experience for the guests at arrival, departure and all airport touch points.

Process Ownership

Team Lead – Designated Alpha Oscar

KEY RISKS	KEY CONTROLS
• Guests may not be adequately prepared for trips as relating to visas, passport validity, currency limits, export and import restrictions. • Airport authorities may change logistic rules and guidelines at short notice. • Guests may Experience delays relating to baggage, customs or security which may impact ministration or meeting plans. • Delta and Tango Oscars may have trouble reaching the AO personnel.	• Guest checklist to be prepared by Alpha Oscar in partnership with Command Centre to ensure that guests have all required documentation. May also include weather information for guest preparation. • Weekly visits to Eagle Square to ascertain prevailing logistic rules and proffer mitigating procedures. • At least one AO to be in consistent contact with the Command Centre to ensure all related teams are updated. One AO to be with principal always after arrival

Process Attributes:**Frequency:**

Adhoc

Number of persons involved:

All Alpha Oscars

CRITICAL SUCCESS FACTORS	KEY PERFORMANCE INDICATORS
• Cultivate excellent relationships with various levels of airport officials and security operatives. • Engagement of the right consultants/agents within and outside the airport to facilitate and ease visa, baggage and/or customs issues.	• Seamless transit of principals to & fro theatres
INPUTS	OUTPUT
• Pre-arrival and pre-departure checklists for guests. • Airport logistics audit reports	• Successful transportation of principals from Eagle Square to Nests

TCNP.01.06
Airport Operations Management (Alpha Oscar)

Summary

The process details the responsibilities and expectations for Alpha Oscars to ensure safe, quick and seamless arrival, departure and airport logistics process for all papas and mamas.

Operational Requirements

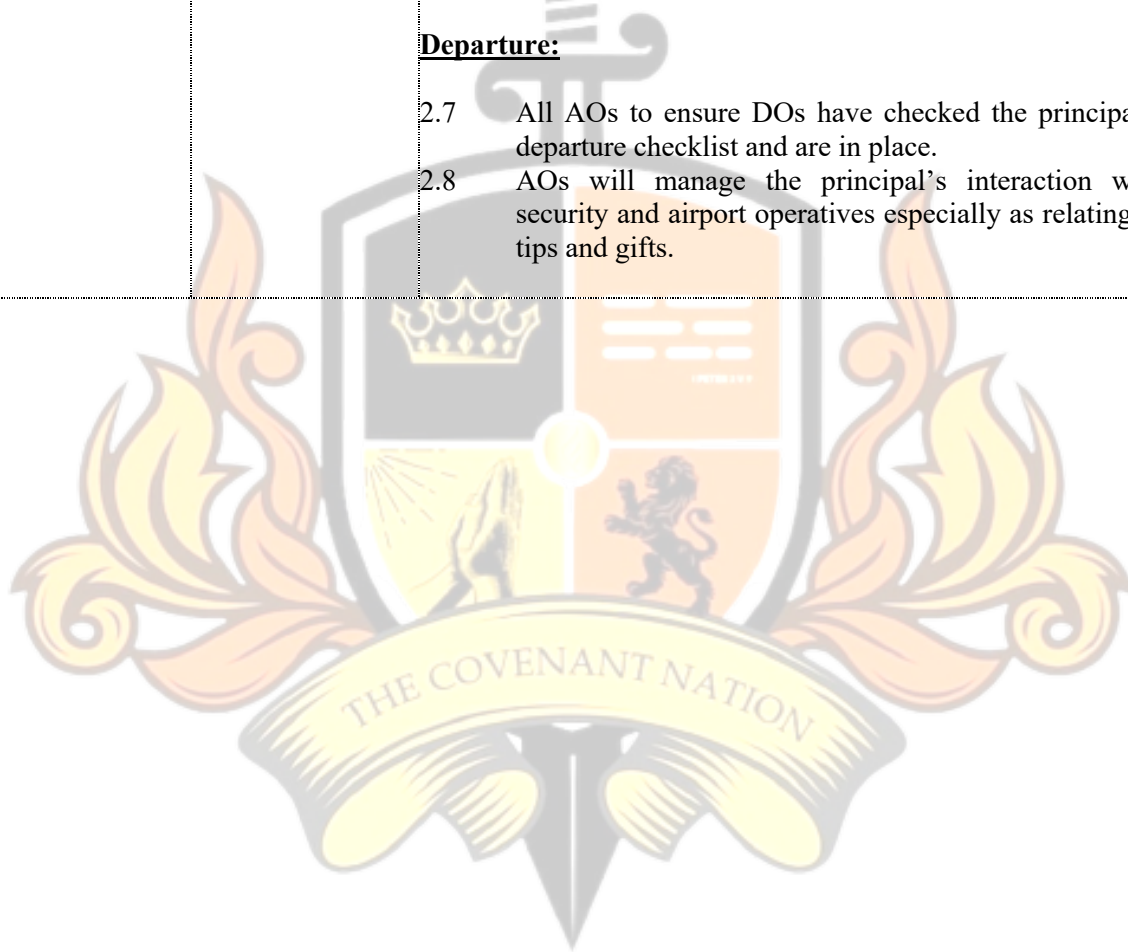

- There must be at least two AOs at Eagle Square to manage Papa/Mama experience.
- Charged, internet enabled telephones for seamless communication with Command Centre, DOs, TOs and NOs.
- Cover full airport logistic bases such as pick-up cheetah parking points, relationship with airport officials and updated flight plan or airport delays.

Activities

Responsibility	Task	Step	
Team lead – Alpha Oscar and designated AOs	1. Pre-Operation Checks	1.1	Identify the relevant personnel and authorities within Eagle Square to foster good relationships with. Either directly or through agencies and partner organizations.
		1.2	Weekly visits to Eagle Square before the events to be upgraded to a minimum of bi-weekly within a month to event. Visits will be to ascertain logistical requirements, new developments and overall aspects that could impact papas and mamas.
		1.3	Prepare, obtain and review pre-arrival checklists for all papas and mamas as it relates to arrival, departures and airport logistics. This will be done in partnership with Command Centre, Captain, HOP and Secretariat.
Team Lead – Alpha Oscar and assigned AOs.	2. During Operation	Arrival	
		2.1	Ensure adherence of all AOs to the briefing script as approved by Captain and HOP.
		2.2	Dress-code, appearance and personal hygiene should be strictly as required and recommended for the operations
		2.3	Devices, telephones, radios and communication apps should be used to update all relevant teams as agreed with Command Centre for Specific operation.
		2.4	One AO to have emergency contact lists covering visa, customs, immigrations etc along with partnering Dos and TOs.
		2.5	Only pre-approved clearance and welcome processes should be used. Emergency changes if required should be confirmed through command centre to HOP and Captain.
		2.6	Cheetah parking and pick-up points to be checked and approved daily BEFORE every operation.

TCNP.01.06
Airport Operations Management (Alpha Oscar)

Responsibility	Task	Step
		<u>Briefing Note for Designated AO:</u> <i>“Welcome to Lagos Pastor/Bishop xxxxx...</i> <i>My name is xxxx from The Covenant Nation and I will be assisting you through the airport processes to make your experience as smooth as possible. My colleague xxxx who is your assigned protocol officer will take over from me once we get to the vehicle”</i> • Please note that briefing will be done when meeting the principal preferably during baggage wait time. <u>Departure:</u> 2.7 All AOs to ensure DOs have checked the principal’s departure checklist and are in place. 2.8 AOs will manage the principal’s interaction with security and airport operatives especially as relating to tips and gifts.

TCNP.01.07
Nest Management (November Oscar)

Objective

To outline the acceptable standards of operations, which impact on accommodating principals upon their arrival at the nest

Benefits

1. Enable swift and hitch free check in for the principal
2. Ensure a pleasant experience for principals at the nest

Process Ownership

Team Lead – November Oscar

KEY RISKS	KEY CONTROLS
• Poorly maintained hotel may be used • Hotel may have faulty systems which could delay check in • Faulty cheetahs may be deployed	• Hotel selection is prioritized and recommendations made to Captain • Necessary accessories are purchased and used by NO to ensure the rooms meet our hospitality standards • Rooms and Hotels are checked well ahead of the event to ensure they are suitable for our guests • All DOs are to elicit feedback from their papas on quality of their stay so necessary actions can be taken on time

Process Attributes:**Frequency**

Adhoc

Number of persons involved

Assigned November Oscars

CRITICAL SUCCESS FACTORS	KEY PERFORMANCE INDICATORS
• Good understanding of November Oscar requirements • Attention to detail to make adjustments when necessary • Good rapport with Hotel management to ensure quality treatment of our guests	• Seamless check-in of guests • Lack of complaint about the rooms or stay from the papas • Seamless completion of N.O. checklist
INPUTS	OUTPUT
• Hotel room improvement accessories (flowers, cleaning agents etc.)	• Uneventful check in and check out of principals

Summary

The process details the responsibilities and expectations for November Oscars to ensure smooth check in and pleasant stay of principals during operations.

TCNP.01.07
Nest Management (November Oscar)

Protocol Check-in Procedures	Responsible	Timelines
Protocol officer for the airport must confirm visa status (if international guest) and if visa is needed and has not been processed, confirm whether a visa -on -arrival will be done.	HOD - AO	2 weeks before arrival date
Protocol officer for the airport must confirm immigration status (if international guest), and what is required at checkpoint and arrival lounge 24 hours before arrival.	HOD- AO	24 Hours
Guest hotel reservation must be confirmed by Church office/HOD to protocol 24 hours before arrival:	HOD- CC	24 Hours
All checks in Hotel must be done by assigned protocol officer six hours before arrival of guests.	NO	6 Hours before Guest arrives
Assigned N.O. officer must tick all questions on the comfort checklist.	NO	5 Hours before Guest arrives
Protocol officer at airport to confirm arrival of guest to assigned NO (N.O. must follow up to ensure they have this information) and give updates on time of arrival at the Nest.	AO / NO	
Protocol officer at the Hotel must be on standby to receive guest.	NO	Time of Arrival at Nest
Upon arrival of the principal, assigned protocol officer should collect the guest's means of identification and complete check-in.	NO	Time of Arrival at Nest
For domestic guests checking into a hotel, at least one protocol officer must be at the hotel to receive them and complete the check-in process. If the guest checks-in earlier than anticipated, the DO or NO should reach out to the guest and welcome them.	NO /DO	Time of Arrival at Nest
Only the assigned protocol officer (and one N.O.) should go with the guest into his / her room. Welcome packs, SIM card (if approved), room key and wifi password, should then be handed to the guest. Gifts from church should be placed at a visible point in the room.	DO / NO	Arrival at cave
For domestic guests (not checking into a hotel) 2 protocol officers should receive them with a handshake/courtesy and hand them over to church/Pastor.	DOs	Time of Arrival at Theatre
The guest's checkout date should be confirmed. The assigned protocol officer must confirm the guest's flight time and time of arrival at the airport for departure. If a late checkout is required, it should be requested for, at least, 24hours before the departure date.	DO/NO	24 hours to departure
Depending on the number of the entourage with a principal, 1or 2 protocol officers (one assigned to guest, the second to complete check in) maybe required to oversee receiving the guests and settling them in their rooms. A ratio of 1:1 or 2:3, protocol office to guests, may be used as a guide.		

TCNP.01.07
Nest Management (November Oscar)

Comfort Checklist	Yes	No
What floor is the booked room located?		
Are there any safety concerns with the room?		
Are there any health-related concerns with the room?		
Does the room and floor have a pleasant smell?		
Is the room well ventilated?		
Is the air-conditioning functioning?		
Are the conveniences clean and functional?		
Is the water pressure from the shower and faucet right?		
Is the water pressure in the lavatory appropriate?		
Does the hotel provide internet services that work?		
Is the mini-bar stocked?		
Have you checked the closets for left overs?		
Is there welcome note from the church available?		
Has every accessory e.g. flowers and welcome pack for the guests been placed in the room?		
Is room service available for the guests?		
Can food be brought into the hotel?		
Does the room/hotel speak excellence (stains, smells, ambiance and reputation)?		
Any other comments/ observations?	N/A	N/A

Name of Operations:

Protocol In Charge. Name :

Signature:

TCNP.01.08
Principal Management (Delta Oscar)

Objective

To outline the acceptable standards of operations, which impact on assisting and guiding principals throughout the operation

Benefits

1. Minimize or eliminate opportunities for embarrassment or offence
2. Ensures a pleasant and distraction-free experience for principals

Process Ownership

Team Lead – Head of Operations

KEY RISKS	KEY CONTROLS
- Principal is late and ill- informed - Principal is poorly treated and leaves with a bad impression of church - Pastor's requirements concerning the principal are not executed as requested	- Constant communication with command centre to have up-to-date information - Sensitivity to the principal to note unspoken needs - Proper and timely communication with the principal. - Provision of after-operation feedback is necessary so appropriate adjustments can be made if needed.

Process Attributes:**Frequency**

Adhoc

Number of persons involved

Assigned protocol officer (Delta Oscar)

CRITICAL SUCCESS FACTORS	KEY PERFORMANCE INDICATORS
- Good understanding and display of etiquette and hospitality - Good attention to detail to make adjustments when necessary - Constant communication with command centre to have updated information	No record of safety or etiquette breaches throughout the operation
INPUTS	OUTPUT
Research on Principals before event	- Profiling of Principal - Seamless coordination of the operations with command centre

Summary

TCNP.01.08
Principal Management (Delta Oscar)

The process details the responsibilities and expectations for Delta Oscars to ensure safe and pleasant stay of principals during operations

Activities

Responsibility	Task	Procedure
Assigned Protocol officer	1. Receipt of Principal	1.1 The DO must receive the guest at the eagle square, nest or theatre (depending on pre-determined logistics), welcome and introduce themselves (see appendix below for briefing script)
Assigned Protocol officer	2. Check In at Nest	2.1 DO must go with the NO to the cave and ensure principal is settled. Provide contact details to the Principal or their assistant so they can reach you. 2.2 Confirm from the principal that their room is satisfactory and that they have all they need. If the guest requires any item not provided by the hotel, DO should make arrangements to have the item provided. 2.3 Before leaving, DO must provide the principal with a travel itinerary for the next trip, including time of pickup, venue, estimated duration of the trip.
Assigned Protocol officer	3. Hotel Pickup	3.1 DO must arrive at least 1 hour to time of pick up at the nest. DO must ensure timely pick up of guest and must ride in the same cheetah as the principal. If more than 1 DO, the 2nd DO should ride in the advance cheetah and communicate with command centre and the DO1 for updates on the trip. The DO should be visible to the principal at all times, before and during the trip.
Assigned Protocol officer	4. At the Den	4.1 At the Den, DO should receive food menu from hospitality and note the principals request (menu's will be provided for breakfast lunch and dinner). If WiFi is available, provide the principal with the password. 4.2 DO should ensure packs with bottled water, sweets and face towel are taken into the auditorium 4.3 When notified, DO should 'MIC-up' the principal, ensure the batteries are working and that the mic is not on. 4.4 Gifts for the principal should be kept by the DO or the principal's assistant till after their ministration and taken to the Nest. 4.5 Information should be sought from command centre on procedures for exiting the theatre (eg. Whether to wait for an interview, leave immediately etc) 4.6 A protocol officer must be stationed by the principal at all times.
Assigned Protocol officer	5. Departure to Eagle Square	5.1 ETD should be communicated to the principal 24 hours before. DO should arrive 1 hour ahead, while a NO will manage check out 5.2 At the eagle square, another briefing script can be used for good byes.
Delta Oscar	6. During Operations	6.1 If DO receives a monetary gift from the principal, the fund should be given to a member of the department finance team as soon as possible. 6.2 Every DO is required to fill the feedback form on their operations and submit within 1 week of completion of the
